<https://my.brightwayslearning.com/upstreamlearning/signups/new>

Registration also includes these forms if not found in a previous school file.

- ✓ Copy of birth certificate
- ✓ Immunization record – (including TB Risk Assessment Form), **or** Religious/Medical exemption form
- ✓ Physical for School Entrance Exam – if attending public school in Alaska for the first time

INDIVIDUAL LEARNING PLAN (ILP)

Once we've received and reviewed your registration packet, we'll contact you to set up a meeting with our support teacher to begin developing an Individual Learning Plan (ILP) for your student(s). To assist you, we have plenty of catalogs for curriculum planning and various resources to borrow from our Library/Classroom. The ILP will be entered online through BrightWays.

*Thank you for choosing Upstream Learning as your home education support program.
We look forward to partnering with you as you teach your children!*
